## Europe and Central Asia Regional Preparatory Meeting for the World Congress III against Sexual Exploitation of Children & Adolescents

17-18 September 2008

ILO Conference Centre, Geneva - Switzerland

---

### Meeting objectives:

The overall goal of the meeting is to **derive a set of recommendations for action from the region that can serve as inputs into the World Congress.**

1. Examine new challenges and dimensions of commercial sexual exploitation of children and set more targeted strategies and measures to address CSEC, building on current progress;
2. Examine what works in different parts of the region, including good practices and identify channels to facilitate better exchange of experiences;
3. Open channels and secure greater regional/international cooperation on key issues related to CSEC (including cross-border issues) and also inter-regional cooperation;
4. Catalyze a systemic and multi-sectoral approach to guarantee children's and adolescents' right to be protected from sexual exploitation; and
5. Identify time-bound goals for each of the themes of the Congress.

### Expected outcomes:

- Regional overview on the situation of CSEC and progress achieved since 2001 in addressing it
- Regional priorities identified and key regional inputs compiled building on challenges and experiences of the various partners, to contribute to the global review of the World Congress
- Regional agreement on a proposed set of time-bound goals for addressing CSEC, to be submitted to World Congress III
- Support to the meaningful participation of children and young people in the Europe and Central Asia Preparatory Meeting for the World Congress III
- Channels to facilitate better regional exchange of experiences identified
